MAKE-UP WORK

Makeup work can be assigned to students giving each student the opportunity to maintain satisfactory academic progress. Each student is responsible to request makeup work from his or her Learning Leader. Credit cannot be given for incomplete work. The letter “I” is recorded for that day and the incomplete status remains until work is made up. The “I” will change to a “0” if the work is not made up by the last Friday of the month. If a student is present and refuses to do assigned work, the Future Professional will automatically be dismissed for the day and will receive a “0” for the day. This grade will not be allowed to be made up.
